Sir,

In forwarding herewith in original, report No C 49-37 dated the 10th November 1937 received from the President, Chennarayapatna Municipal Council, re the levy of fees on Motor Vehicles coming to the weekly market, I have the honour to state as follows -

2 On the application of the current year's lessee of the weekly market to the effect that certain persons were bringing articles to the weekly market in motor lorries, that they were not paying any fees therefor and that he was sustaining loss, the Municipal Council resolved at their meeting held on 26th October 1937, that as there was no provision in the sanctioned schedule of fees to levy fees on motor vehicles, and that as the persons who were bringing things to the market in such vehicles refused to pay any fees, sanction might be obtained to levy fees on motor cars at Rs 0-4-0 each and on motor buses or lorries at Rs 0-8-0 each The President has submitted a copy of this resolution and requests sanction thereto

3 As it is reported that certain persons are bringing articles for sale to the weekly market in motor vehicles and as the lessee of the market sustains loss on this account, I request you to be so good as to obtain the sanction of Government to the resolution of the Municipal Council at an early date

4 Such difficulties, it is possible, exist in some of other

other Municipalities also I request therefore that a provision on the market rules relating to minor Municipalities may kindly be made

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Hassan District
